This is a compact, paraphrased RAG test fixture based on headlines and short homepage summaries visible on 9to5Mac. It is not a copy of any full article.

Apple One Trial

9to5Mac reported that buyers of eligible new iPhone hardware can unlock a three-month Apple One trial. The homepage summary specifically named iPhone 18 Pro, iPhone 18 Pro Max, and iPhone Duo purchases as eligible.

macOS 27 Golden Gate

9to5Mac reported that macOS 27 Golden Gate is scheduled to ship to all users on Monday, September 14. The homepage linked this to Apple's full release notes for macOS 27.

Trade-In Values

9to5Mac reported that Apple updated trade-in values after the Surprise and Shine event. The homepage summary said iPhone payouts were lowered, while iPad and most Mac values increased.

Useful Test Questions

1. How long is the Apple One trial for eligible iPhone buyers?
2. Which iPhone purchases were named as eligible for the Apple One trial?
3. When is macOS 27 Golden Gate scheduled to ship?
